

Directions to Merrington Grange

From Shrewsbury

Leave Shrewsbury by turning immediately left at the Ellesmere Road roundabout into Huffley Lane, signposted to Leaton Industrial Estate, Bomere Heath, Baschurch.

(From the roundabout to Bomere Heath is 3 miles).

Pass through the village of Bomere Heath and follow the main road for approximately one mile. You will come to Merrington Hall Farm & Workshops on your right.

Immediately past the farm buildings is a right-hand turn, signposted Webscott, Myddle. Take this turning and Merrington Grange is approximately 100 yards down this lane virtually straight ahead of you.

From the North

Head south on the A528 towards Shrewsbury, passing through the village of Burlton and across the intersection with the B4397. Approximately 2 miles ahead is a right-hand turning signposted Myddle, Baschurch, Ruyton XI Towns.

Take this turning. Ahead of you will be a row of houses (Smithy Cottage is on the corner).

Take the small lane to the side of this house (NOT the turning into Myddle!).

As you progress along this lane you will pass Myddle Quarry on your left.

Shortly after this, take the right-hand turn signposted Bomere Heath.

Approximately 2 miles along this lane Merrington Grange will appear on your left (a large cream coloured set of buildings) immediately before a rising right-hand bend.
